

MY WEEKEND

Natalie Fakhoury of Manukau
loves food and films

Cocktails with friends Friday, 7pm

What better way to start the weekend than with food and drinks (and lots of it)! I pop by **Mexico** in Ponsonby and order almost every dish and margarita carafe on the menu. I'm not really sure what happens after that.

164 Ponsonby Rd, Ponsonby

G-bread Saturday, 8am

You will find me at the **Howick Village Market** dishing out

samples galore! Can't find it? Follow the garlic bread smell. It's never too early for garlic! 91 Picton St, Howick

Refuel Saturday, 2pm

Time for a nap. If there is anything I like more than eating, it's probably sleeping.

It's dinner time! Saturday, 6pm

I never thought the day would come where dinner and movies would be my ideal Saturday night, but I guess miracles do happen. I love staying in and making tender eye fillet steaks with a garlicky potato mash and creamy mushrooms.

Market life Sunday, 8.30am

I love the **Clevedon Village Farmers Market**. Although I'm there every Sunday, I can never get enough of the food on offer. You'll find me there with my family making (eating) chicken shawarma and falafel wraps.

If you feel the need to burn off all those calories, take a walk at Duder Regional Park.

107 Monument Rd, Clevedon

Just a quick game Sunday, 4pm

Everyone is a little bit of a child at heart. I have a weak spot for Timezone arcade games so stopping at **Xtreme Entertainment** when I'm driving by is a must. Did you know you get double dollars on the first Sunday of every month? One of the best parts: it's next to Kmart!

500A Ti Rakau Dr, Botany Downs

Sunday sessions Sunday, 7pm

It's the end of my working week and I've just finished up from my massage so it's time for a barbecue, drinks and chilling out with friends at home.
